

Dear Leona,

Just wanted to say
it one more time -- I
thought your flower show
was wonderfull and
inspiring. The quality &
diversity of the designs
were outstanding. The
beauty of a placement^{show} is
something to remember
especially when its in
such a gorgeous setting.
Everyone in your club
should feel proud
of a show well done!

Thank you for asking
me to be on your judging
panel. I really enjoyed
the critiquing experience.
Also, thank you for the
lovely lunch and the
beautiful Martha Washington
geranium.

Keep having flower shows!

Fondly
Tandra

Dear Fellow Gardeners,

How very thoughtful of you to
Contribute to the Diabetes fund. It
was diabetes that started all of Bob's
problems -- they became overwhelming.
It is a disease that must be
Conquered.
