Since this year has not been the greatest growing year, we are not including a regular horticulture schedule, but are instead asking that you bring whatever is in your yard that looks good, also in your grown plants, and we'll do what we can with what we have. It might even turn out to be very nice.

The Happy Valley Garden Club has enjoyed 25 years of learning, shared activities, and friendship. We wish to express our gratitude to those who helped organize this group - to Gloria Cockburn and the Maplehurst Garden Club, who sponsored us; and to Thelma Goeckner and Alice Elmstrom, long-time members of Clackamas District #15, who guided us through the process of being chartered with the Oregon State Federation of Garden Clubs, which has provided a focus for our activities and a constant source of ideas and information.
